

TORBAY FULLBORE CLUB SHOTGUN SOLID SLUG COMPETITION

This competition is shot at the 100 yard Parracombe range with any Section 1 or Section 2 Shotgun, which is chambered in any Gauge, i.e. 12 Gauge, .410 Bore etc. and is shot using solid slug ammunition. Any sights can be used.

This competition can be shot at any time during the competition season (competition season ends on 30th September) and can be entered once for each eligible Shotgun you have.

The course of fire:

5 rounds in total. Fire 5 rounds at the target while in the standing, unsupported position.

Each hit on the target is worth 10 points, with a maximum of 50 points possible. The highest score wins.

How to participate in this competition:

1. Get a target. The target to be used is the **Silhouette 85** target, this is printed on the bottom lefthand side of the target and **circled in Red** on the target shown below. You are encouraged to collect your targets that are to be shot at the Parracombe range from the Denbury range to avoid disappointment, as the Range officer may not have enough targets available on the day. The targets are located in the 'Competitions targets' box in the range box at the Denbury range or ask the Range officer
2. **PRINT** your details on the target – name, date and Shotgun used. Stating the Shotgun used will help you prove usage of your guns in competitions and is also needed if multiple entries with different eligible Shotguns are made.
3. Shoot the target! Following the course of fire explained above.
4. Once shot, put your competition target in the 'Competition targets for scoring' box in the range box at the Denbury range or give it to the Range officer. Competition results will be posted on the Club Facebook page and Website.

A prize will be awarded for 1st place and will be announced in due course.
